**ENERGIZING YOUR RIDE, ONE CONNECTION AT A TIME.**

**This estimate is provided as a good-faith projection based on current diagnostic findings, local inventory, and standard labor rates. Any Discounts will be noted by a → followed by management adjusted price.** Final costs may vary due to unforeseen component wear, part availability, or additional labor required during teardown. MC Wiring & Controls will communicate any changes before proceeding.

- Pricing includes a 15% sourcing window to account for local inventory fluctuations.
- Labor time is calculated based on national flat-rate book estimates. Adjustments for aged parts noted as “Environmental Buffers” If applicable.
- Diagnostic findings are based on current scan data, scope traces, and physical inspection.
- This estimate does not include unrelated repairs, cosmetic work, or deferred maintenance unless explicitly stated.

## **Warranty Guidelines**

**Labor Warranty:** MC Wiring & Controls guarantees all labor for **12 months** from the date of service. This includes workmanship, torque-critical reassembly, and diagnostic integrity.

**Parts Warranty:** Parts sourced directly by MCWC are covered under the **manufacturer’s warranty**. Warranty terms vary by brand and component. Parts provided by the client or third parties are not covered under MCWC’s warranty policy.

### **Warranty Exclusions:**

- Failures due to unrelated systems, deferred maintenance, or aftermarket interference
- Damage caused by environmental exposure, collision, or unauthorized modification
- Diagnostic-only services or teardown inspections without repair authorization

## **Referral Bonus Program**

We believe great work deserves to be shared. MC Wiring & Controls offers a **referral bonus** for every new client you send our way.

### **Here’s how it works:**

- Refer a new client who completes a diagnostic or repair job
- You’ll receive a **\$25 credit\*** toward future services or diagnostics
- No limit—refer as many as you like

**MC Wiring & Controls** *Forensic Diagnostics • Modular training • Client Transparency*
